WELLNESS CHECKS Many families and students may remain overwhelmed with the intense emotions they have experienced. Some may be unable to manage these emotions effectively, and students’ attendance and course progression may potentially be affected. Schools will provide the necessary supports for families and students with the implementation of wellness checks and counselor/social worker meetings. Teachers and staff will be checking in with students during class and reaching out to students and families who may be struggling to help provide support and link them to school and community resources. Counselors and school social workers are available and will be meeting with students for both academic and social/emotional support.

ATTENDANCE

ABSENCES A note is required following an absence. Absence notes must be turned in to the attendance office at vereetr@nv.ccsd.net no later than the **third day** after the student returns from an absence. An unverified absence may become a truancy subject to citation. Absence notes should include:

- Student name, student number, and grade,
- Reason for the absence and date of the absence, and
- Parent signature and telephone number.

It is a student's responsibility to obtain make-up work from their teachers after they return from an absence. Students have three days to complete make-up work following an approved absence. **Parents/guardians are highly encouraged to schedule appointments and vacations outside of the school day.** Nevada schools are "graded" on their attendance rate for the School Performance Framework (Star System). Missing any part of the school day is considered an absence. Any absence from class on the day of an activity will not allow the student to participate. In addition, a poor attendance record will prohibit students' attendance at after-school activities and field trips. In order for a parent/guardian to pick up a student early from school, the person's name must be listed on school records and a picture ID must be shown. The student will remain in class until the parent/guardian presents proper documentation. Becker Middle School is a closed campus. Students may not leave campus without permission otherwise they will be marked truant.

LOSS OF CREDIT Ten (10) unexcused absences in a semester will result in loss of credit and an "F" in the course.

PREARRANGED ABSENCES Prearranged absences should be requested in advance and in writing using the Prearranged Absence Notification Form available in the office. These arrangements should be made at least three days prior to the absence, except in the case of an emergency. The prearranged absence form is completed by the parent and returned to the front office. These absences are still included in the absence total. **Prearranged absences are limited to ten days in one school year and are not permitted during the first and last ten days of school.**

TRUANCY Nevada law (NRS 392.040) requires children between the ages of 7 and 18 to attend school. School attendance is vital to a child's academic success in school. The following are excerpts of Nevada law:

- The principal of a school is required to report to law enforcement pupils who are habitually truant.
- A habitual truant is defined as "a student who has three unapproved or unverified absences within one school year."
- Students that have habitual trancies or unapproved absences are required to have a SB269 hearing with the student, parent, and an administrator present to discuss the absences.
